Hello,

There's not a lot going on this month. We finished the shed at John Stewart in time for the winter months, and we will be looking to stain it in the spring as part of our field maintenance day. Thank you again to all who lent their time and skills toward this important project.

At our November meeting, we discussed several minor changes to the Instructional rules. These will be updated on our website shortly. We will be going over the rules for Minors and Majors at the December meeting. If you would like to address the rules at either of these levels, please attend the next meeting on Thursday, December 4th, 7 pm, at the Elburn Library. Also happening night, Liberty Mutual will be presenting the \$2500 community grant to Elburn Baseball & Softball that we won earlier this fall. Please feel free to attend this and all monthly meetings. Remember, these meetings are for everyone.

Finally, on-line registration begins December 28th, and runs through February 4th. Walk-in registration will be on Saturday, January 24th, from 9am-12pm, at the Elburn Library. We hope to see you all there.
