Field clean up

After the last game of the day, please remember to put the bases away in the boxes, replace the mushroom plugs and use the rake to fill all holes, particularly at pitchers' mound and batters' boxes. This will help keep the field in good condition for the next team, especially if it rains overnight.

Lions Park Parking

When playing a game at Lions Park, please do not park in the small parking lot near the administration buildings. That lot is for Lions business only. Please notify your out of town coaches (opponents) of this restriction. Also, after rain, please do not drive on the grass as it creates ruts.

Thank you for your willingness to help. It is the involvement of our volunteers that make the league possible.
