May 16

Kickoff/Picture Day

Hello,

Spring is finally upon us, and the season is just starting to come together. All of the teams have been selected and your coaches should be getting in contact with you soon if they haven't already. They have a coaches meeting in early April to pick up their equipment and sign up for practices. I was also greatly encouraged by the attendance at last weeks monthly meeting. There must have been almost 30 people in attendance. I encourage you to continue joining us for these meetings.

On a volunteer note, we are still looking for someone to coordinate the concession stand. This will be Dawn Kuefler's last year doing this job, and we would like to have someone assist her and then take over the duties for next year. This means that this position would require the stocking of the stand and the transfer of funds. We also have tried to simplify the manning of the concession stand by putting that responsibility on the home team's coach. Please contact me, Jeff McDonald, via email at jam880@sbcglobal.net if you have an interest in helping Dawn with this position.

We are also looking for someone to be our Field Maintenance Day Coordinator this year. This person will help coordinate the volunteers (which we also need) on Field Maintenance Day, April 18th. The more people we get to tidy up the fields, the better. If you can spare an hour or two on that day and are interested in helping, contact me at jam880@sbcglobal.net or John VanBogaert at jjbta@sbcglobal.net.

Coaches note: please stay off of all the infields when they are wet, thank you.

Some events we have scheduled are...

April 19 - FREE baseball and softball clinic at Waubansee Community College courtesy of National Bank and Trust of Elburn. More info to come!

May 8 - Candlelight Bowl - purchase tickets from our website or through your coach.

I look forward to seeing all of you out at the games. Have a great season.

Jeff McDonald
President, EBS
